**Bid Award Procedure:**

Each of the above projects will be offered for sealed bids. Bidders who bid on more than one project may qualify their bids to limit the total number of acres they will accept. The apparent low bidders will be contacted within five (5) working days following the date below and advised to submit bonding within fourteen (14) calendar days.

If you are interested in bidding on any of these projects, request the "31-09 Contract Bid Package" from the above address and/or phone number.

**Bids will be received until January 16, 2009**

**IMPORTANT NOTICE:** This prospectus gives only a brief description of each cruising project and consequently may not conform entirely with the cruising contract package. Interested bidders should rely on their own examination of each cruising project for bidding purposes. The State of Idaho does not warrant the total plots that need to be cruised or any other pre-bid documents prepared by the State. It is further understood that any differences between the prospectus, project description, forest resource data, and the contract, the contract shall be final and binding.
